

Suncokret provides a dedicated retreat oasis, run by professional hosts, who offer you the support and expertise necessary to house your very own holistic retreat, worry-free, at our beautiful venue on Hvar Island.

SUNCOKRET

Since 2004 we have been providing superior holistic retreat experiences for individuals and groups from all corners of the globe. Our space is best suited for 8-10 guests. To accommodate larger groups, we recommend booking two back-to-back events.

LOCATION

Suncokret is located in the charming village of Dol Sveta Ana, a pristine 12th Century hamlet discretely nestled into the verdant brush & pinewood forest which majestically rises above the island's oldest settlement, Stari Grad.

RETREAT PRACTICE SPACES

Outdoor Terrace

The outdoor terrace features open views of the village and the neighboring island of Brac. It has a tile floor, bamboo roof, and flowing curtains that create an intimate environment during the practice. The terrace is best suited for up to 8 persons for dynamic practices or up to 10 persons for passive practices.

Indoor Loft

The light and spacious indoor loft features wood-laminate floorboards, exposed roof beams, doors facing east, windows facing south and west, and cooling and heating options. There is a lounge area with a library that contains spiritual and entertainment sections. The loft can comfortably accommodate 8-10 practitioners.

ISLAND PRACTICE LOCATIONS

By the Sea

Your group will be transported to stunning beach locations each day, perfect for morning or afternoon sessions, creating a spectacular and unforgettable experience.

Hidden Nature Spots

Additionally, your group can choose to practice in secluded natural areas, where time seems to stand still. Here, you can enjoy your outdoor sessions in serene silence beneath shady trees, in front of a historic baroque church surrounded by towering pines, or at the forest's edge with breathtaking views of the sea.

ITINERARY

Experience the best of Hvar Island's natural, historical, and cultural spots via our scheduled daily outings. Our typical outings include:

- Day 1: Dol Village Welcome Tour
- Day 2: Stari Grad & Beaches
- Day 3: Ager Plain, Soline Beach & Vrboska
- Day 4: Hvar & Beaches (Pakleni Islands)
- Day 5: Surprise Location, Hvar Highlands
- Day 6: Jelsa Town & Beaches
- *On Day 4, 5, or 6, enjoy a spectacular sunset safari instead of dinner at the retreat. Dine out in a local restaurant before the safari, and we'll provide you with a packed lunch or post-sunset snack.

PROGRAM RHYTHM

The typical daily rhythm generally flows as follows:

- 7:30: Self-Catered Coffee / Tea
- 8:00: Your Morning Program
- 10:00: Breakfast & Karma Yoga
- 11:30: Daily Transfer to places of interest
- 12:00: Free Time to explore, swim, and enjoy yourself
- 17:00: Daily Transfer back to the retreat
- 18:00: Dinner & Karma Yoga
- 20:00: Your Evening Program (meditation, journaling, etc.)
- 21:00: Self-Reflection/Your Time
- 22:00: Mauna (quietude)

The daily rhythm may be adjusted according to your wishes.

TASTY, SIMPLE & FRESH MEALS

We serve two meals per day, which are predominantly made from fresh, organic, locally produced island ingredients (often our own), and which are prepared and served with love.

A breakfast buffet is served in the garden and generally consists of fresh seasonal fruit, nuts, warm and cold cereals, fresh farm eggs, local bread, bread spreads, yogurt, milk, and dairy-free substitutes. Tap water, mineral water, and herbal tea, (and coffee on request) are served complimentary with each meal.

Dinner is also served in the garden and typically consists of a soup and salad starter, followed by the main dish (vegetarian or Dalmatian seafood specialties on request). There is an option to enjoy a sunset experience and dinner in a local restaurant one evening during the event, in which case we provide a packed lunch or light snack post-sunset instead of dinner on that day.
